

**You don't get to be the first name in cardiovascular care
by being second to break new ground...**

Florida Heart & Vascular

Board Certified, Fellowship Trained

All across our region, physicians who have distinguished themselves as cardiac leaders are leading the way to better heart care in our community.

David C. Lew, MD, FACC, FSCAI

Chairman

Our facilities are directed by Dr. David C. Lew, the founding medical director of the LRMC Heart Institute, and the first physician in the region to perform cardiac catheterization, primary angioplasty and carotid stenting with embolic protection. He is the local Principal Investigator for the NIH CREST Study, comparing the effectiveness of minimally invasive carotid stenting versus surgery for prevention of strokes. Dr. Lew is a Clinical Assistant Professor of The University of Florida College of Medicine.

Jose R. Rosado, MD, FACC

Vice Chairman

Clinical Assistant Professor, University of Florida
Areas of interest: 3D echocardiography, women and heart disease, cholesterol, and congestive heart failure.

Hector Luis Garcia, MD, FACC, FSCAI

Clinical Assistant Professor, University of Florida
Areas of interest: PTCA and stenting, electrophysiology, pacemakers and defibrillator placement, vascular radiation therapy

Ronnie Sabbah, MD

Areas of interest: Consultative & invasive cardiology, cardiac catheterization, nuclear cardiology, stress testing

Joseph G. Sahab, MD, FACC

Areas of interest: Consultative cardiology, nuclear cardiology, cardiac circulatory disorders, pacemaker evaluation

Sanjeev Bhatta, MD, FACC

Areas of interest: cardiac catheterization, peripheral vascular intervention, nuclear cardiology, echocardiography

Lillia T. LaPlace, MD, FACC

Areas of interest: consultative cardiology, nuclear cardiology, echocardiography, cardiovascular MRA

John R. Hurt, MD, FACC

Areas of Interest: Cardiovascular disease, interventional and consultative cardiology, atherectomy, permanent pacemakers, PTCA and stenting

Wing Yi "Winnie" Liu, MD, FACC, FSCAI

Areas of interest: Consultative cardiology, coronary PTCA & stenting, peripheral vascular intervention, vascular radiation therapy
